Roots Story

Our mission behind the brand

We are a team of coffee fanatics who want to serve you good coffee; one that **doesn't only tastes 'good' but also reflects the goodwill and good intentions** that go into every cup.

Our belief is that by devoting our resources to improving the well-being of every single person involved in the journey of our coffee - from baristas to roasters, to farmers - we can help each other grow, develop and achieve something truly amazing. This Cup-to-Farm ethos allows us to showcase specialty coffee in a whole new way and gives us the opportunity to have a positive impact in the coffee world.
